

Plymouth Soccer Club

Cleaning Procedure

PSC is fully committed to safeguarding the health and safety of all participants, volunteers and staff. For this reason, effective immediately, all PSC staff and volunteers, regardless of position or authority, must comply with the following cleaning protocols:

Before and after events:

- Spray disinfectant on all equipment. (cones, balls, flags, etc...)
- Any restrooms will be sprayed with disinfectant
- Any other high touch surfaces will be sprayed with disinfectant (tables, benches, goals, corner flags, balls...)
- Update provided cleaning log
